

AUSTIN, TEXAS  MARCH 19-20

About the Tournament

The University of Texas Women's Ultimate program and Without Limits are proud to host the 13th annual women's division of College Centex.

This is our 8th year of partnership together, and every year, this tournament reminds us of how important our friends are to the success of our work. We have come a long way since the 2008 parking lot meeting where leaders of the college women's division made a collective decision to be the change they wanted to see. We haven't looked back since.

Thank you for joining us on this journey, and for coming back to Centex year after year. We are honored and inspired by your support, and we hope that this tournament serves the college women's ultimate community for many years to come.

Our Vision

1. Competition- We are dedicated to bringing teams the best competition possible at Women's College Centex.
2. Community- We love our friends in the women's ultimate community, and we run this tournament for YOU.

Thank you for choosing to support our tournament.
Play hard, play fair, and have fun!

Tournament Rules

USA Ultimate 11th Edition Rules

Tier 1, Tier 2, and Bracket Play Games to 15 (point cap at 17)

Soft Cap: 90 min

Hard Cap: 110 min

Tier 3 Games to 11 (point cap at 13)

Soft Cap: 65 min

Hard Cap: 80 min

HORNS

Due to the layout of the field site, we will not be blowing cap horns. Please communicate with the opposing teams' captains to avoid confusion.

TIMEOUTS

One timeout per half plus one floater. Caps do not affect TOs.

CAPS

Soft cap: Add two to the higher score after the point and play to that. No more win by 2.

Hard cap: Finish the point. If it's tied, play one more. If not, game over.

DETERMINING POOL FINISHES IN CASE OF A 3-WAY TIE

Results will be determined using:

1. Point differential among teams in the tie
2. Point differential against the rest of the pool
3. Total points scored
4. Coin flip

Special note for determining pool finishes in three team pools: If the first two games of the pool end with the exact same score (but different winners), one additional point should be played after the second game. The pulling team and the sides should be the same as the beginning of the second half. This point will only count in the case of the otherwise unbreakable 3-way tie. If each team has a point differential of zero after the last game and all three games resulted in the same score, the additional point played after Round 2 determines first and third place.

Lightning

In the event of lightning, please follow instructions from tournament staff and take shelter in cars and/or buildings. We will let you know when it is safe to resume play.

How to resume your game after a lightning delay:

1. If the delay was less than an hour and a half, the schedule will be adjusted to accommodate the continuance of the round being played. A quick captains' meeting will be held at Tournament Central (see map) to inform teams of the new schedule. Please send a team representative to Tournament Central after you have been notified that danger has passed.

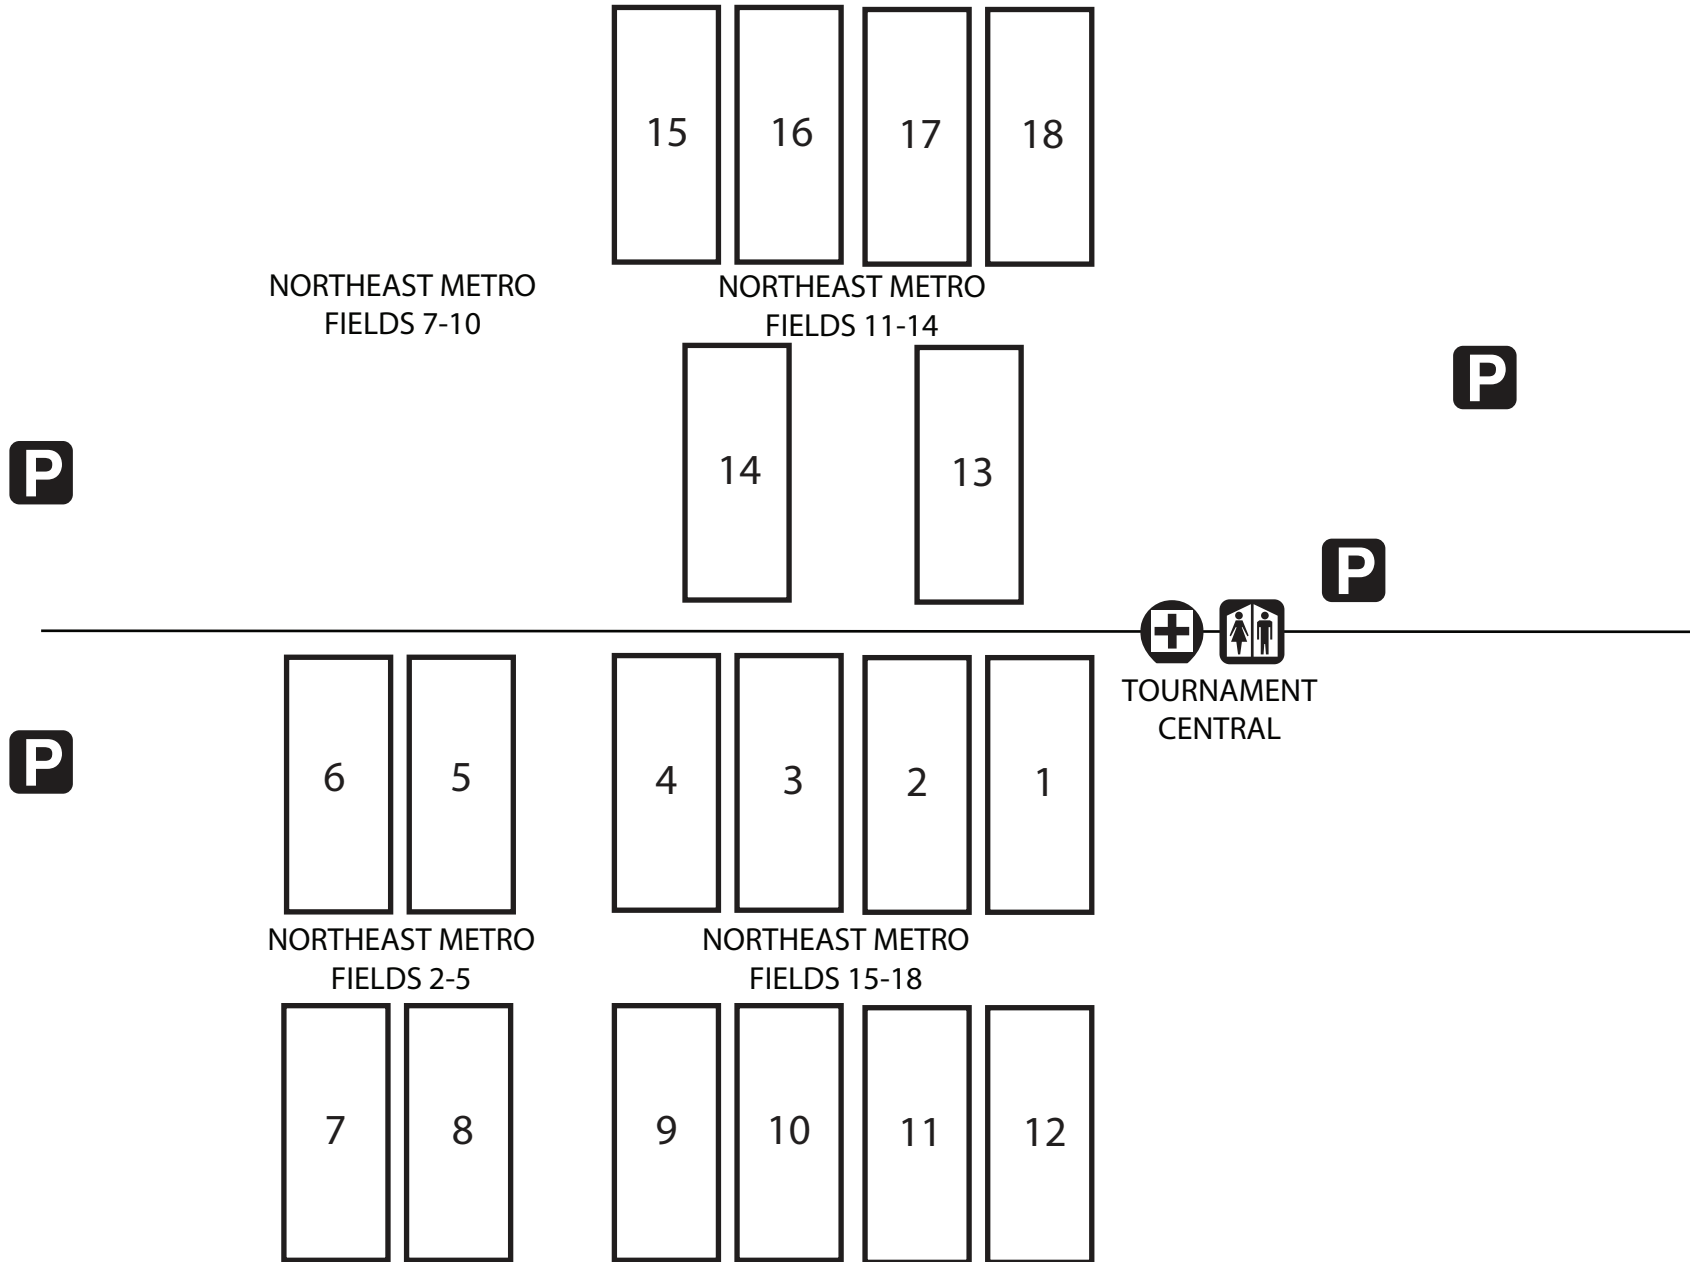

2. If the delay is longer than an hour and a half and/or in the case of multiple lightning delays during a day, we will reassess the situation and determine a new schedule at the captains' meeting.

Our #1 concern is your safety, so please follow any directions from the TDs and other tournament staff.

Other Inclement Weather Information

We reserve the right to alter the schedule as necessary to accommodate the conditions. This will likely involve the cancellation of crossover games and shortened rounds. Our goal is to ensure that as as many games as possible get played.

Spirit Awards:

With the help of one of our sponsors for Centex, Early Recognition is Critical (E.R.I.C.), we have provided every team with a Spirit of the Game towel and an E.R.I.C. hat. Spirit of the Game is explained through its five pillars: know the rules, avoid body contact, be fair minded, enjoy playing, and communicate respectfully. E.R.I.C. is a nonprofit organization that emphasizes the importance of being active, being aware, and being prepared through Ultimate Frisbee. The organization teaches kids body awareness so they can speak up when something is not right. After Centex is over we would like for each team to select their own spirit winners. The girl receiving the SOTG towel should be someone who embodies spirit of the game and the girl receiving the E.R.I.C. hat should embody what E.R.I.C. is all about. An ideal pick for the hat would be someone who is always positively talking to her teammates on the field and from the sideline.

Spirit of the Game is an essential part of ultimate and sets us apart from all the other sports. By taking a personal responsibility to uphold the rules we allow for highly competitive play while maintaining mutual respect for each other and the sport.

Thanks for upholding SOTG at Centex and supporting Without Limits! We hope to see you again next year!
