

WOMEN'S COLLEGE CENTEX 2016 INCLEMENT WEATHER PLAN

Northeast Metropolitan Park will make the final call about about the fields on Saturday morning around 5:00 AM. We will send an email out to team contacts and Tweet an update (@wlultimate).

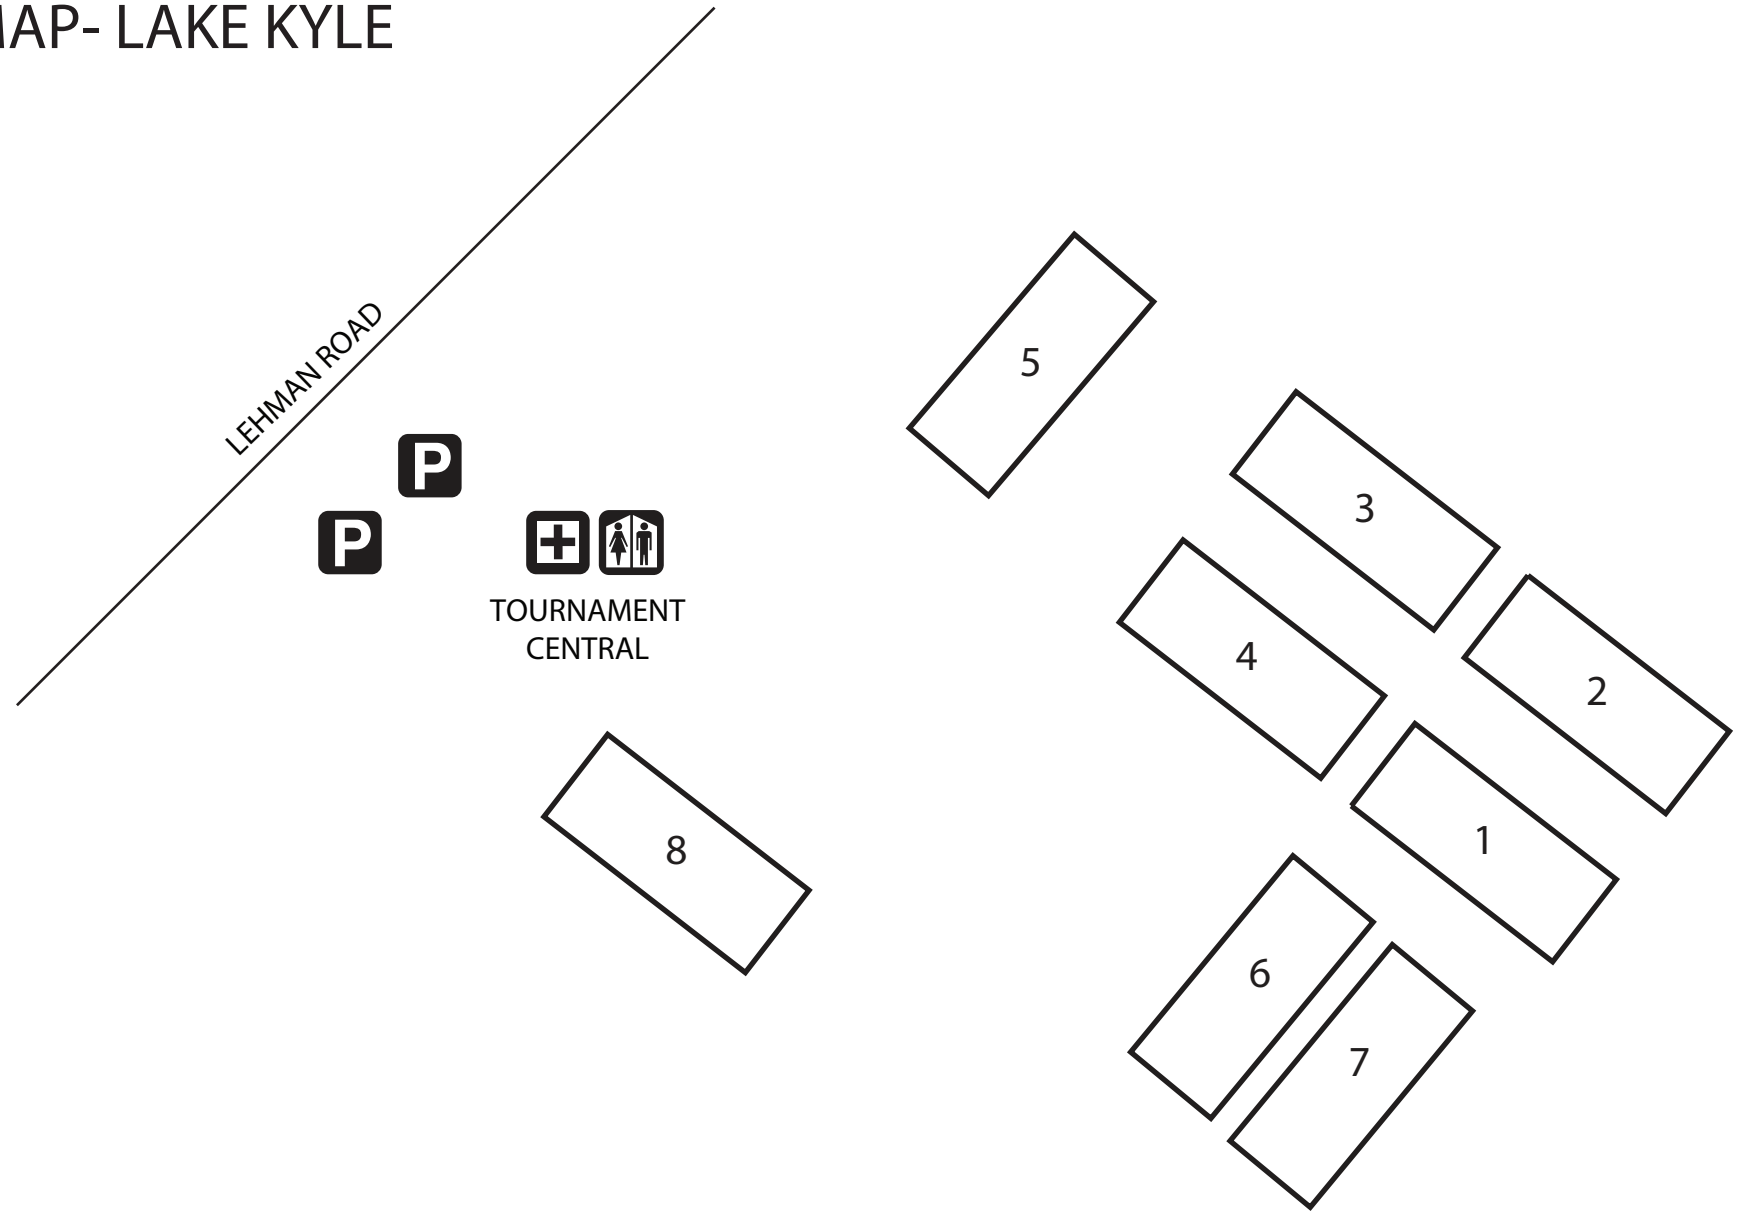

1. If Northeast Metropolitan Park is open, we will follow the "regular" schedule that is posted online with games starting at 9:00 AM and 11:00 AM.
2. If Northeast Metropolitan Park is closed, we will follow this inclement weather plan. The "regular" schedule will be modified to have games starting at 10:00 AM and 12:00 PM. The competition schedule will remain the same, with the exception of games being pushed back one hour.

The chart below indicates which pools are playing at which locations on Saturday. Please check closely to see which inclement weather site you may be playing at. We will follow up with Sunday's plan on Saturday evening. If Northeast Metropolitan Park is closed on Saturday, it is possible that it will reopen for Sunday play.
