COMMONWEALTH CUP

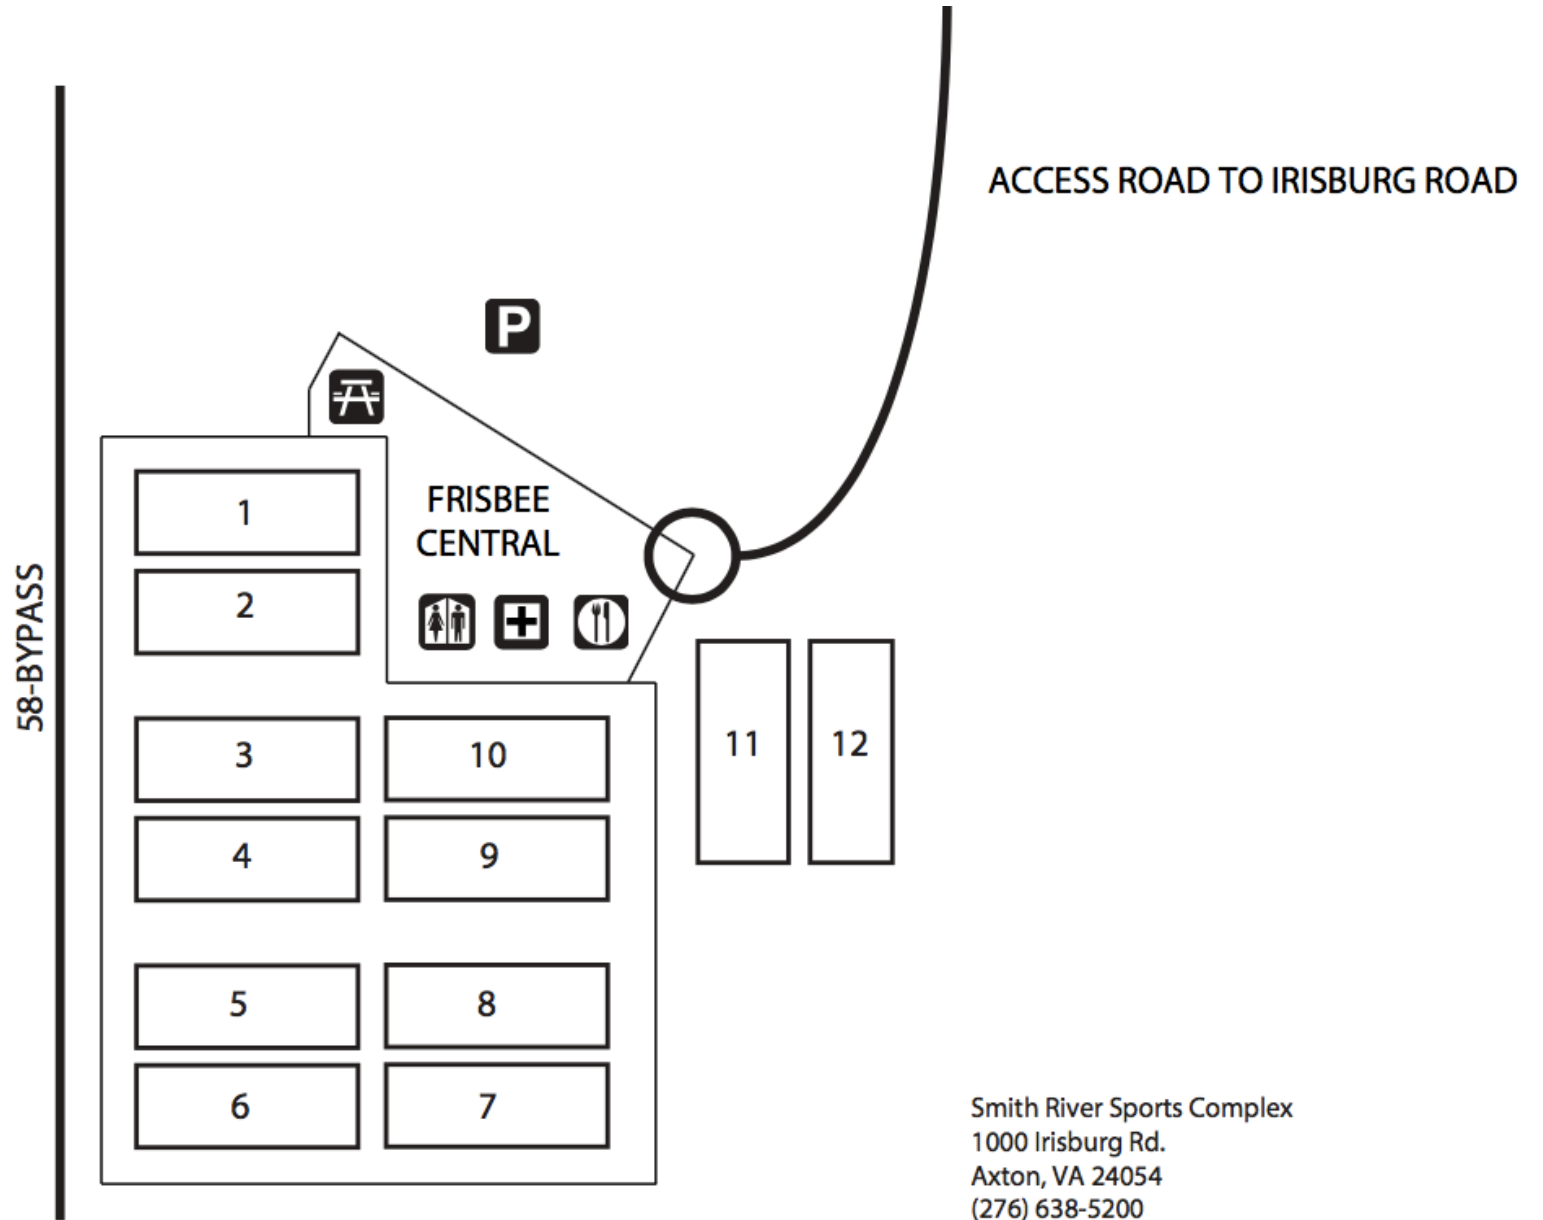

TIEBREAKERS:

- In the event of a three-way tie in pool play, tiebreakers will be determined according to the USA Ultimate Formats Manual.

Special note for determining pool finishes in three team pools:

- If the first two games of the pool end with the exact same score (but different winners), one additional point should be played after the second game.
- The pulling team and the sides should be the same as the beginning of the second half.
The point will only count in the case of the otherwise unbreakable 3-way tie.
- If each team has a point differential of zero after the last game and all three games resulted in the same score, the additional point played after Round 2 determines first and third place.
