HORNS

We will not be blowing cap horns. Please make sure to communicate with the other team's captains to avoid confusion.

TIMEOUTS

One timeout per half plus one floater

Caps do not affect timeouts.

CAPS

Soft Cap: Add two to the higher score after the point and play to that. No win by 2.

Hard Cap: Finish the point. If it's tied, play one more. If not, game over.

THREE-WAY TIES

If the first two games of the pool end with the exact same score (but different winners), one additional point should be played after the second game. The pulling team and the sides should be the same as at the beginning of the second half.

This point will only count in the case of the otherwise unbreakable 3-way tie, where each game results in the exact same score.

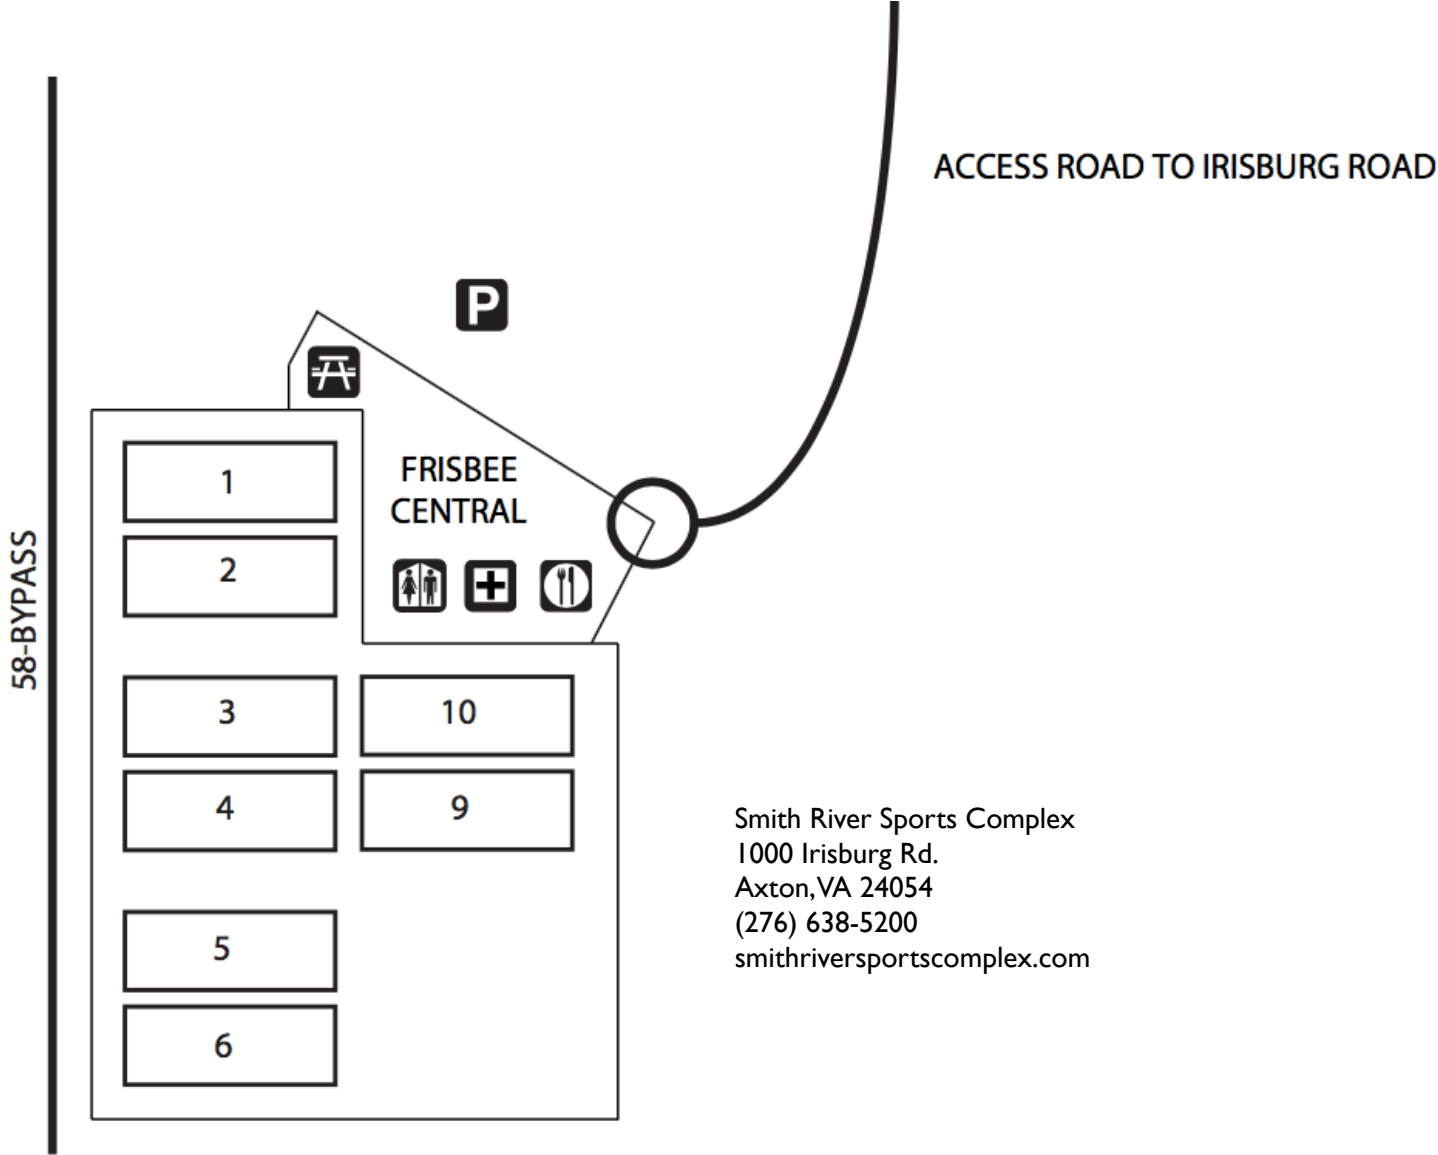

If each team has a point differential of zero after the last game and all three games resulted in the same score, the additional point played after round two determines the first and third place teams.
