Tournament Rules

Official Rules of Ultimate 2020-2021

Substantive changes from the 11th Edition Rules

HORNS

We will not be blowing cap horns. Please make sure to communicate with the other team's captains to avoid confusion.

TIMEOUTS

One timeout per half plus one floater
Caps do not affect timeouts.

CAPS

Soft Cap: Add ONE to the higher score after the point and play to that.
Hard Cap: Finish the point. If it is tied, play one more point.
Halftime Cap: The halftime cap will not be implemented for this event.

TIEBREAKERS

In the event of a three-way tie in pool play, tiebreakers will be determined according to the USA Ultimate Formats Manual.

Special note for determining pool finishes in three team pools:

- If the first two games of the pool end with the exact same score (but different winners), one additional point should be played after the second game.
- The pulling team and the sides should be the same as the beginning of the second half.
- The point will only count in the case of the otherwise unbreakable 3-way tie.
- If each team has a point differential of zero after the last game and all three games resulted in the same score, the additional point played after round 2 determines first and third place.
